

“Understanding volcanic risk in Turkey for improved emergency response and disaster risk reduction” project workshop 21-22 October 2019

DATE	TIME	Presenter	Subject	Hall
21.10.2019				
	09:30	General Directorate of MTA	Opening speech	MTA/İhsan Ketin Hall /ANKARA
	09:40	Kathy Cashman	Importance of the project and overview of the project	İhsan Ketin
	10:00	Gökhan Atıcı	Project aim, results, general evaluation of project	İhsan Ketin
	10:30	Tea Break		
	11:00	Kathy Cashman	Volcanic activity and importance on humans life	İhsan Ketin
	11:30	Sarah Brown	Global volcanic threats, volcanic risk and their impact on humans	İhsan Ketin
	12:00	Evren Atakay Gündoğdu	Overview of the Hasandag Stratovolcano (Petrology/Volcanostratigraphy)	İhsan Ketin
	12:30	Lunch		
	13:30	Gökhan Atıcı	Approach to developing scenarios for Turkish volcano	
	14:00	Mark Woodhouse	Tephra Hazards in Turkey (with videos)	İhsan Ketin
	14:30	Tea Break		
	15:00	Mark Woodhouse	Pyroclastic flow hazards in Turkey (with videos)	İhsan Ketin
	15:30	Kathy Cashman	Management of Volcanic Emergency	İhsan Ketin
	16:00	All Participants	Volcanic Hazards Panel	İhsan Ketin
22.10.2019				
	09:30	Kathy Cashman	Volcanic hazard and risk studies	İhsan Ketin
	10:00	Mark Woodhouse	Lahar scenarios of Turkey, with Hasandagi and Erciyes examples (with videos)	İhsan Ketin
	10:30	Tea Break		
	11:00	Sarah Brown	Volcanic hazards and their effects in Turkey/ Exposure Assessments (with videos)	İhsan Ketin
	11:30	Bihter Demirci and Esra Ak	Volcano Monitoring System of Turkey	İhsan Ketin
	12:00	Gökhan Atıcı	Closing Speech	İhsan Ketin
